### Maribeth's Speaking Style

Maribeth's speaking style is warm and comforting accented by a wicked sense of humor. She's an excellent storyteller and audiences love her.

I gained such deep insights as I reconnected with my cat who crossed the Rainbow Bridge, Britney, during my phone call with Maribeth. The session was tremendously healing and comforting. Since our call, a smile comes across my face every time I think of Britney. I feel such peace and joy and gratitude instead of deep sorrow and loss.
